**Correction**

Error in Table. In the Original Investigation by Stewart et al titled “Effect of Exercise on Blood Pressure in Older Persons: A Randomized Controlled Trial,” published in the April 11, 2005, issue of the Archives (2005;165:756-762), there was an error in Table 4. The side headings “Abdominal total fat” and “Abdominal visceral fat” should be exchanged, keeping the values where they are.
